Subject: John Day Vapors fact sheets
Attachments: Volatile chemical health effects FAQ 6 5 15.pdf; JohnDayFactSheet4a.pdf

Scotta, I'll be distributing these to the impacted community today. Please feel free to call me if you have questions 206-295-1899

Tomorrow is my last day here, I'll be heading out around noon. Wendy Adams is coming in this afternoon to replace me and I'll be sure to ask her to keep you in the loop as new information is available.

k
